Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

The Certificate III in Horticulture will provide you with a wide range of general horticultural skills that are to industry standard and can be taken to the workplace.

The course will cover areas such as: identifying plants, propagation, plant nutrition, specialist amenity pruning, implementing soil improvements, controlling weeds, plant pests and diseases.

This on-campus course is very hands-on with a focus on the practical skills required to work in the industry. You will visit a range of gardens and commercial operations to give you an insight into the breadth of the industry and employment opportunities

What will I Learn?

This course will give you the confidence to identify plants and provide information on plants and their growing needs. You will acquire skills to assess and improve soils, develop plant establishment and display gardens including how to cost a project. You will learn how to identify plant health problems, establish turf and perform specialist amenity pruning. You will complete the AgVet Chemical Users course which provides you with the confidence to handle, store and apply chemicals safely.

Course Outcomes and Career Opportunities

Upon successful completion, you will be equipped to gain work as a horticulturalist in parks and gardens, nurseries, turf management and landscape construction.

Detailed information about the types, conduct and dates of assessments will be provided in advance. You will also be provided with information about the opportunity for reassessment and appeal.

Fees

This section gives you an overview of course fees, subsidies, and how they can be paid.

Course Fees

Here's an outline of fees and costs associated with your course.

Your fees each year can be made up of 3 different elements. Everyone has different circumstances that can affect what you pay and how much you pay. :

1. Tuition fees - charged as an hourly rate that varies from course to course. A large portion of the tuition is subsidised by the Victorian Government for eligible students.
2. Resource and/or materials costs - covers the cost of materials and other incidentals. This fee will vary according to the course being undertaken.
3. Booklist items - such as textbooks, equipment and stationery recommended for your course

Tuition fees

There are 4 different rates of tuition fees. Only one will apply to you (depending on your eligibility and circumstances).

1. **Government Subsidised Fee** - you could be eligible for a government-subsidised rate under the Skills First funding depending on your age, educational history, and citizenship or residency status. If you are eligible, the government will contribute to the cost of your training.
[Find out more about subsidised training](#)
2. **Government Subsidised Concession Fee** - If you are eligible for a Skills First government-subsidised place and hold a current healthcare or pension card, that you can provide at enrolment, you may be eligible for the concession rate. Note, the concession rate is not applicable to Diploma level courses.
[Find out more about concession rates](#)
3. **If the course is a Free TAFE course or part of the Free TAFE Pathways Program** - Eligible students will not pay course tuition fees for the duration of their enrolment in this course, however, there may be some consumable/material fees for the course (find out more below). Any resource or material costs, or booklist items for this course are listed in the table below.
