

# SCHOOL-BASED APPRENTICESHIP & TRAINEESHIP

HAIR, BEAUTY &  
WELLNESS ACADEMY

School-based apprenticeships and traineeships allow Years 10, 11 and 12 students to start an apprenticeship or complete a traineeship while still at school. On average, one day a week is on the job with an employer, plus some of the school holidays. For the rest of the school week, you complete the South West TAFE component of your training as well as your other secondary school subjects. It takes from one to three years to complete.

When you complete all course requirements, you gain an accredited qualification. Like apprentices and trainees, you must be employed with a suitable workplace and have a current training contract. You must be over 15 years of age and enrolled in VCE.
