

AN INVITATION TO ASPIRING BOARD DIRECTORS

**The Observership Program 2027 –
Pathway to board directorship for
aspiring young leaders based in
the South West region of Victoria.**

The Observership Program pairs talented emerging leaders with not-for-profit and government boards across Victoria, Sydney and Brisbane for a 12-month period. Observers gain practical boardroom experience while participating in a comprehensive governance training program supported by Program partners, the Australian Institute of Company Directors and The Ethics Centre.

In Victoria's South West Region, The Observership Program has partnered with prestigious, local boards to offer an accessible Program for talented professionals to gain valuable board experience and governance training.

The Program's participating boards are seeking candidates aged 25-45 with professional skills, based in the South West region of Victoria, to learn about and contribute to board work.
