

HOW OUR STUDENT SALON WORKS

HAIR, BEAUTY &
WELLNESS ACADEMY

WELCOME

Pure Academy is a student training salon where Hair, Beauty and Wellness students develop industry skills under the supervision of qualified teachers.

OPENING HOURS

Victorian school terms only

Monday to Thursday: 9.00am to 3.30pm

Closed Fridays, weekends and school holidays

HAIR SALON

Open Monday, Tuesday and Wednesday

BEAUTY SALON

Open Monday, Tuesday, Wednesday and Thursday. Treatments vary throughout the year based on student availability and training requirements. Current beauty treatments available for booking are displayed on our treatment board at Pure Academy reception and regularly updated on our Instagram and Facebook pages.

BOOKINGS & WAITLISTS

Appointments can be made by calling the salon on 03 5564 8848 or visiting salon reception.

If the service you are interested in is not currently available, we can add your details to our waitlist and contact you when students are ready to offer that treatment.

IF WE MISS YOUR CALL

As Pure Academy is a training environment, reception may not always be staffed and phone calls may not always be answered while students are attending classes or practical training sessions. If we are unable to take your call, please leave a message including:

- Your full name
- Contact phone number
- The service you are interested in

We will return your call as soon as possible and, where appropriate, add you to the relevant waitlist.

IMPORTANT INFORMATION

- Not all treatments are available at all times. As students progress through their training, different services become available at different times throughout the year.

- Our Hair and Beauty salons are operated by different student groups and supervised by different teachers. For this reason, we may not always be able to schedule a beauty service immediately before or after a hair appointment.
- Our services are offered at significantly reduced prices compared to commercial salons because they are performed by students under teacher supervision. As part of the learning process, treatments may take longer than you would expect in a professional salon environment.

SUPPORTING OUR STUDENTS

Please treat our students and staff with kindness, patience and respect. We appreciate your support as our students develop their skills and industry experience.

2026 OPERATING DATES

Pure Academy operates during Victorian school terms only.
