HAIR, BEAUTY &
WELLNESS ACADEMY

We know that successful businesses are built on exceptional service and strong, lasting client relationships. Developing the practical skills needed for growth is essential for employers.

At Pure Academy, we offer customised training programs with industry-relevant curriculum, facilities, and hands-on training aligned to real job requirements.

EMPLOYING AN APPRENTICE OR TRAINEE

Apprenticeships and Traineeships combine paid employment with structured training and are available to anyone of working age.

An Apprenticeship or Traineeship can be undertaken full-time, part-time, or as a school-based option and lead to a nationally recognised qualification.

Training may be delivered on the job, off the job, or a combination of both, using a competency-based learning approach. A range of financial incentives and support options are available.

What is a School-based Apprenticeship?

A School-based Apprenticeship or Traineeship is undertaken part-time while the apprentice or trainee is at school.

It combines paid employment, on or off-the-job vocational training and senior secondary school studies.

Where to start?

Once you have found an apprentice or trainee, contact an Apprentice Connect Australia Provider (ACAP) to confirm details about incentives and to organise signing a training contract between you and the apprentice or trainee.

Visit www.australianapprenticeships.gov.au for further information.

When you select South West TAFE Pure Academy as your Registered Training Provider (RTO) we will work closely with both you and your apprentice or trainee to develop an individualised training plan that suits your needs. We provide high quality training and your apprentice or trainee will learn the latest and most relevant skills from our experienced teachers. We offer a range of flexible delivery options with training in your workplace or Pure Academy - our purpose-built salon fitted with the latest equipment.

APPRENTICESHIPS AND TRAINEESHIPS ARE EMPLOYMENT-BASED AND SUPPORTED BY NATIONALLY RECOGNISED QUALIFICATIONS DEVELOPED THROUGH INDUSTRY CONSULTATION.
